## YQS Programme 2025 - Jakarta, Indonesia

# DAY 1 - FORMAL DAY

The energy was high from the very start. Delegates from various countries came together for a day packed with meaningful discussions, insightful presentations, and opportunities to network. The atmosphere felt warm and enthusiastic, setting the perfect tone for the rest of the programme.

### ● Opening & Welcome Speech

The programme officially began with an uplifting Opening Speech by Karen Wong, followed by a welcoming message from the PAQS Chairman.

These remarks not only set the direction for the event but also inspired everyone to make the most of the experience.

### ● Ice Breaking Games

From playful challenges to spontaneous conversations, the session helped everyone relax, connect naturally, and kick-start meaningful friendships that carried on throughout the programme.

# DAY 1 - FORMAL DAY

## ● Country Presentations

Each delegation proudly took the stage to present updates and innovations from their respective countries.

It was an energising exchange that sparked new ideas, broadened perspectives, and highlighted the diverse strengths across the region.

## ● Remembering

A heartfelt tribute was offered to honour the late Sr Mohamad Shazali Bin Sulaiman (RISM) and Engr Richard Marcelo (PICQS).

The solemn moment acknowledged their contributions and lasting impact on the YQS community.

## ● Gift Exchange

One of the warmest moments of the day – the gift exchange.

What started with simple items became a joyful celebration of culture, laughter, and shared stories. Every gift brought smiles and made the room feel even more connected.

# DAY 1 - FORMAL DAY

## ● Dinner Together

The day ended with a cozy dinner at Sate Senayan Restaurant, giving the group a delicious introduction to Indonesian flavours while strengthening the bonds formed throughout the day.

## ● Painting at Bartega Studio

The programme added a splash of creativity with a group painting session at Bartega Studio. Surrounded by colours, music, and lots of laughter, participants enjoyed relaxing and expressing themselves in a fun and artistic way.

## DAY 2 - SITE VISIT DAY

Learning went off-site with an exciting visit to MRT Jakarta Phase 2 and PIK 2. Participants explored these landmark developments up close, gaining first-hand insights into large-scale infrastructure and urban projects while turning technical knowledge into real-world experience.

### ● MRT Jakarta Phase 2A

Participants were given a unique opportunity to explore the underground tunnel of MRT Jakarta Phase 2. Seeing the engineering and construction work up close brought technical concepts to life and gave a fresh appreciation for the scale of the project.

# DAY 2 - SITE VISIT DAY

## ● Sarinah Mall

Lunch at Sarinah Mall offered more than just a meal—it was a taste of Indonesia's history and culture.

## ● Pantai Indah Kapuk (PIK2)

The visit to PIK 2 felt like stepping into a future city in the making. From its grand masterplan to its bold development vision, the site visit gave participants a fresh perspective on large-scale urban projects and their impact.
